Sir:

RESPONSE TO RESTRICTION REQUIREMENT

This is a response to the Restriction Requirement set forth in the Official Action dated December 31, 2007 (Paper No. 20071220), the date of response to which is January 31, 2008.

In view of the Examiner's requirement, Applicants elect with traverse Group I, including claims 1-39.

In section 3 of the Official Action, the Examiner alleges that "a telephone call was made to Mr. Stanley C. Spooner on December 20, 2007." The Examiner is wrong in this conclusion, as the Examiner did not contact the undersigned on December 20, 2007 or any other time in conjunction with this application. The Examiner may mean that he attempted to reach the undersigned by calling the undersigned's office, but if he did, he was informed that the undersigned was out of the country at that time. Rather than waiting until the undersigned

returned, apparently the Examiner merely sent out the pending Restriction Requirement.

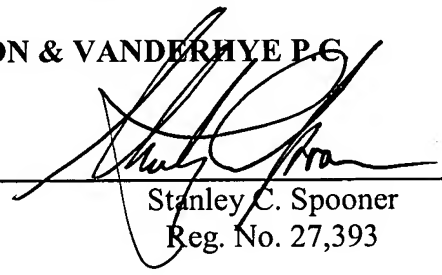

However, in order to correct the record, the Examiner did not contact Applicants' undersigned representative with respect to any aspect of this application.

Having responded to all objections and rejections set forth in the outstanding Official Action, it is submitted that elected claims 1-39 are in condition for allowance and notice to that effect is respectfully requested. Should the Examiner be of the opinion that a brief telephone or personal interview will facilitate allowance of one or more of the above claims, he is respectfully requested to contact Applicants' undersigned representative.

Respectfully submitted,

NIXON & VANDERHYE P.C.
